Congratulation to all of the children in the complex on completing their FCAT testing at the end of February. As you all know the tests are a very important part of the school year, thank you to all of our parents for supporting the kids and making education a priority in their lives.

The Brighten-Up After-School program is headed down the home stretch towards summer. We continue to provide homework assistance each afternoon and welcome new kids daily.

The program is free to residents, so if you are interested in enrolling your child please contact Mike Malone at 945-4593 for information. In addition to homework assistance, we offer a free snack and supervised activities in the clubhouse when homework is complete.

We are currently planning for our summer program. Last year we participated in the summer lunch program through the Jacksonville Children's Commission. We anticipate serving free lunch each day to all children under 18 years old, but are also interested in offering activities as well. If you are interested in more information call Mike at 945-4593

Join us to celebrate the arrival of Spring at our resident cookout on Saturday, April 26 from 11:30 to 2:00. Bring the kids as we need their help to decorate (finger paint) the laundry room.

We will be offering a resume building workshop in the computer lab on Wednesday, April 23rd from 6:30—7:30 pm. Contact Mike to sign-up.

Free coffee to get the day started? Stop by the clubhouse on Thursday, April 11th on your way to work for your free cup.
Coffee starts at 6:45 am.

Welcome to all the new residents that have joined our community in the last month. We are happy to have you as neighbors and want to thank you for choosing Eagle's Pointe. We would also like to thank our existing residents for making Eagle's Pointe a great place to call home.

First Time Home Buyers programs: If you are interested in becoming a home owner, First Time Home buyers programs are offered on a monthly basis through the Jacksonville Urban League and The Housing Partnership of Northeast Florida. For more information contact Mike at 945-4593 or Jax Urban League at 356-8336 Housing Partnership at 398-4424
