## PRESS RELEASE

### Ribbon Cutting for New Community Centre at Hollybush Gardens

**Glassboro, NJ** –On December 15th, 2014 a ribbon cutting ceremony will be held at Hollybush Gardens in Glassboro to formally open its new Community Centre

The new facility will host a variety of activities for children, adults, and seniors who call Hollybush Gardens home. The Community’s professional on-site management team, a division of The NHP Foundation’s Operation Pathways, coordinates these resident services and programs.

“Whether it’s after-school learning opportunities for our young people, financial success programs for our adult and senior, or wellness workshops for building strong, healthy families, our new Community Centre has something for everyone,” said Hollybush Gardens Resident Services Coordinator Nadine Worlds.

Among the speakers at today’s ribbon-cutting will be Sean Redman, Vice Principal of Sterling High School in Somerdale, New Jersey. Redman will speak to the positive and character-building experience he enjoyed being raised by his mother in their Hollybush Gardens home.

According to Richard Burns, CEO of NHPF, “We at The NHP Foundation believe in the motto ‘Where You Live Matters.’ But the commitment to safe and affordable housing can’t be limited to the structures alone. The resident services that help shape a community are essential to its vitality. This new Community Centre will be a welcome addition for all the Hollybush neighbors.”

Burns also notes: “NHPF’s diverse income and rent structure assures housing for households ranging from low- to moderate-income. Notwithstanding income levels, the same access to services, including those offered in the Community Centre, is available to all residents of Hollybush Gardens.”

Hollybush Gardens is located between Cross Keys Road and Route 322 in Glassboro. The 181-unit complex offers well-priced 1-, 2- and 3-bedroom apartments with private entrances, fully equipped kitchens, plush carpeting, ample storage, off-street parking, and green space with mature trees. Conveniently situated near multiple shopping areas, great restaurants, and just miles from Route 55, Route 42, its location on the NJ Transit Line is great for commuters and seniors.

Headquartered in New York City with offices in Washington, DC, NHPF was launched on January 30, 1989. NHPF is a publicly supported 501(c)(3) nonprofit corporation founded to preserve and create affordable multifamily rental housing for low- and moderate-income families and seniors. In addition to providing safe, clean and affordable housing to its residents, NHPF has a robust resident services program known as Operation Pathways. Through partnerships with major financial institutions, the public sector, faith-based initiatives, and other nonprofit organizations, NHPF owns 31 residential properties with more than 6,000 housing units in 12 states and the District of Columbia.
